

ASSESSMENT REQUEST FORM

Presentation

The presentation at the assessment should be no longer than 15 minutes and address each of the sections below.

Prizes (Under Construction)

*Current prizes for the 2017/2018 financial year include: (i) first prize **\$5000** by way of in kind services (for exceptional commercial new concept and presentation); (ii) second prize **\$2500** cash (for potentially commercial new concepts); and (iii) other prizes - various program scholarships upto **\$2000** (Potential Programs include: Curtin Ignition, Founders Institute, SpaceCubed Programmes, StartUpWeekend).*

The association reserves the right not to award any prizes in any given financial year for any reason including for the reason of 'absence of deserving concepts and presentations'. Prizes can be exchanged between participants. All prize winners are required to produce an article on how the prize assisted them in the commercialisation of their concept.

Confidentiality

A basic confidentiality agreement will be provided. Please let us know if you require a copy of the confidentiality agreement beforehand, please let us know. To avoid all doubt, the Inventors Association and its panel members hereby agree to treat all information of a confidential nature provided in this form and by other means confidentially. This excludes all information already in the public domain. Limited information is requested at this time to avoid potential conflicts of interest, however unlikely.

A secure upload login will be provided for a full information disclosure after the initial evaluation request.

Cost

To be eligible for an evaluation, you must be a member which may involve a joining fee of \$80. The fee for an assessment is presently \$250, payable before or at the meeting. If you have attended one meeting or less and are not a member, the fee is \$500. The fee may be waived should services of a value of twice the fee be provided to the association eg. prototyping services, legal services, computer services, drawing services and so forth. All payments made are for the benefit of Inventors Association. No remuneration is made to the panel members. **Payments are generally non-refundable unless exceptional circumstances apply.**

This Form

When completed, you can choose to: (i) post this form to PO Box 550, Maylands, WA 6931; (ii) scan it and email to assist@wa.invent.org.au; (iii) or bring it to our next meeting (*best advised for feedback*).
